High Performance Faceshield Visors Windows

ARC FLASH WINDOW

EP919MGAF/60

Protect yourself against hazards from glares of light produced by electric arcs by using Dynamic protection system. Electric arcs are produced by an electric shock that result in an electromagnetic explosion of energy from fragments of fused metal being able to cause serious wounds. "Arc Flash" faceshield from Dynamic are conceived in order to provide to the user best possible vision and protection at work.

FEATURES & BENEFITS

- 9.9 Cal/Cm² et 12 Cal/Cm²
- Special formulation
- Complete panoramic vision
- Molded faceshield that offers a clear vision without any distortion
- Perfect definition of colors
- Made of Polycarbonate highly resistant to the impacts and chemical splashes
- Curved faceshield to cover the entire face and chin ensuring you of a total protection
- Meets CSA Z94.3-15 standards and ANSI Z87.1 requirements
- Meets ASTM F-2178-6 and NFPA 70E standards
