

Explorer™ 350fx

Our Toughest, Most Stable, Most Versatile Solo Fishing Kayak Ever!

The Sea Eagle Explorer 350fx is made with extra layers of thick 2000 denier fabric on the side tubes to protect against sharp fins and hooks. The double layer Drop-Stitch floor also has a top layer of EVA foam for secure footing.

These rugged kayaks also have built-in rod-holders and dozens of cutouts to hold rods, lures, pliers and even fish knives. It also features adjustable footrests which give rock solid foot support.

Perfect for solo fishing big lakes, open bays, long meandering rivers, intimate salt marshes...and even moderate white water rivers. Room for one large angler and a lot of gear. When rigged with our Swivel Seat Fishing Rig and a WaterSnake motor, this kayak takes fishing to a whole new level.

The 350fx comes with a removable skeg and 16 open or shut drain valves so this kayak can go easily through ocean surf or fish down class 3 rapids.

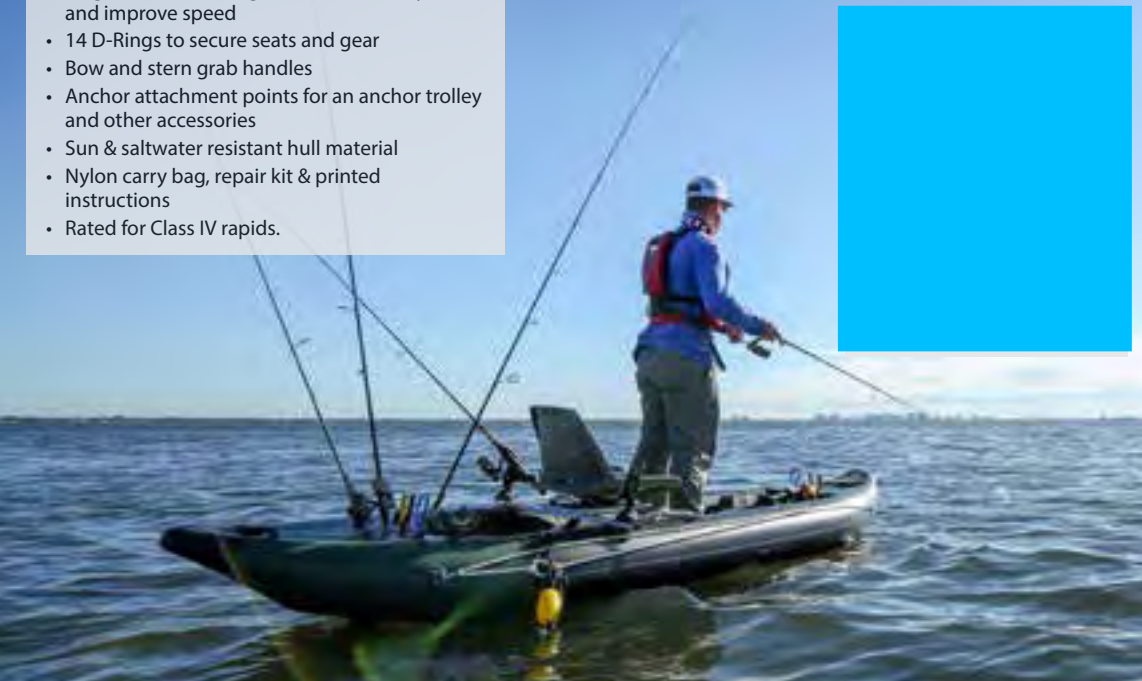

Adjustable foot-brace quickly and easily adjusts to 20 different positions.
