

FastTrack™ 465ft

Bigger, Sleeker, & Faster but still light enough for 1, 2 or 3 Paddlers Featuring Rigid "NeedleKnife" Molds!

The FastTrack™ 465ft is longer and has more weight capacity than the 385ft. The 465ft is designed for paddlers who want more room so they can paddle with their family and friends. Whether you use it with 2 people and a lot of gear or with 3 people and some gear, it will always paddle fast, straight and true.

The Sea Eagle FastTrack™ 465ft features sleek, curved, touring shape with state of the art "NeedleKnife" rigid molds at both the front and back of the outside Drop-Stitch inflatable keel. This patented feature allows the 465ft to cut through current, wind, waves and water!

All FastTrack™ Kayaks come with Slide In Swept Back Skeg.

Featuring Patented External Drop-Stitch NeedleKnife™ Keel.
