North American
Fishing Club.
Rated 9.6 out of 10.

Mean Green Fishing Machine

The Hunter Green 285fpb features genuine Scotty® mounts for rod holders and a quick release, pedestal swivel seat system for easy 360 degree fishing and full access to the cockpit. The convenient release-a-seat mount makes setup & take-down easy.

This ultra-portable 9' boat weighs just 42 lbs. and packs in a small bag. It fits easily in a car trunk and sets up in just 5 minutes.

The optional motormount accepts an electric motor or up to 3 hp gas engine for easy motoring. The optional swivel seat allows the fisherman to sit even higher and turn 360°. And the wooden floorboard provides a stable platform to stand up and cast.

The 285fpb can be used on remote ponds, small or large lakes, wilderness rivers, inland bays or saltwater flats.
