Loop the strap with the buckle from the Tablet Pack through D-Ring on the vest

Snap the strap with the buckle into the buckle on Tablet Pack

The Bottom Side buckle works the same way as the top buckle.

Tablet Pack with Sholder Harness

The webbing loops through the D-Ring and clips into an adjustable buckle on Tablet Pack just like on the Tablet Vest.

The back of the harness has adjustable straps with D-rings on the end to loop and hook to the buckle on the Tablet Pack just like on the Tablet Vest.
