

Standard Features

- NMMA Certified
- 4 separate air chambers with 4 flush mount one-way recessed air valves on hull for easy inflation and deflation.
- Double layer Drop-Stitch construction on all air chambers for greatest puncture/abrasion resistance and rigidity.
- EVA footpad on floor for standing stability and no slip grip.
- Rubbing strake under full length of the side pontoons for protection against nails, barnacles or other sharp objects.
- 2 canopy mount grommets for easy attachment and removal.
- 4 D-rings for attaching sun/rain canopy or gear.
- 2 Scotty mounts to hold rod-holders, anchor system, GoPro, cup-holders, etc.
- Removable transom holds up to 6 hp engine can be permanently attached on hull or removed for compact packing.
- 7 carry handles - 1 in the bow, 3 on each side.
- Aluminum Bench Seats pre-drilled to accept 4 Scotty base mounts for other desired Scotty® accessories.
- Swivel Seats for 360° sitting position and all day fishing comfort.
- Nylon carry bag, repair kit & instructions
