# Bandages Dispensers & Refills

Bandage dispenser created for the industrial market, these dispensers are colour coded and contain 4 different types of fabric bandages: 3/4 in x 3 in, 1 in x 3 in, fingertip and knuckle bandages.

Great in work areas where an easy access to bandages is required. Prevents loss of time by searching in a first aid kit. Easy to install and to use. There are 2 kinds of dispensers available: red for regular industrial use and blue for the food industry, or any other type of industry that requires detectable bandages.

- Dispenser and bandages are colour coded
- 4 different types of fabric bandages
- Prevent loss of times by searching in a first aid kits
- Easy to install and to use

# Bio Med Wash®

BIO MED WASH® is a sterile, heavy mist containing 100% Bio-Logic Aqua®, an all-natural, pH correct, pure tissue-culture grade of water. The application is helpful in removing particulate matter and crusted exudates from cuts and abrasions, and in removing irritating chemicals from skin and eyes.

- Emergency first aid eye wash and irrigation
- All-natural bio-compatible hydrotherapy product replaces distilled, saline and tap water for most applications
- Washes dirt and other contaminants from cuts and lacerations
- Helps remove irritating chemicals from eyes and skin
- Three year shelf life
